The Fire of the Woman

Seminar with Viramano Wermund

from June 16 - 19, 2022

We meet the desire, pleasure and sensuality of the girl as well as the mature woman in their different periods of life.

We celebrate the woman in the fire of transformation, her longing and her potential – opening to her devotion and passion, to her love and life.

We especially can support our dignity, our self-respect, our sexuality and our female qualities in a circle of women and by sharing with women.

Subjects

- Competition between women
- Female sexuality and sensuality
- Native strength being the root for creativity and sexuality
- Healing of wounds of dependencies, misuse & shame
- Enjoying abundance: Getting to know our sensuality as a tremendous force for relations, creativity and daily life
- Meditation, massage, relaxing, playfulness and fun

Methods

We learn through moving, improtheater and dance, heart-, breath- and enrgywork, massage, touch and deep relaxation, sharing and conversation, meditation and awareness exercises.
